BOARD RESCINDS PREVIOUS MATTER

by KIMBERLY BLAKER

At the September 13 Huron Township Board meeting, following a disagreement between Trustee Larry O'Kelley and Supervisor John Mitchell, and Treasurer Jarrod Barron, the resignation of Leslie Meyer, Director of Planning and Zoning, was accepted.

O'Kelley pointed out that Meyer's evaluation had never been compiled for her file. He said that it's important that such records become a permanent part of a past employee's record. Furthermore, he reminded the Board had directed the Clerk to compile the responses and report them to the Board.

The Supervisor stated that the Clerk and Treasurer never

bothered to complete their revaluations and two trustees didn't sign theirs. Therefore, he felt the evaluation should be forgotten.

However, O'Kelley pointed out that the three legitimate evaluations should still be compiled.

The Clerk argued that she was too busy to do the task. Therefore, O'Kelley offered to do it himself.

The Treasurer continued to argue that he could see no point in placing the evaluation in the former director's file.

In other news:

- The Township nativity scene was on the agenda again. Approximately 25 residents attended the Board meeting in support of displaying the creche on public property. During public comments several of them spoke. Supposedly churches in the Township were contacted to come and speak. However, it

appeared that the only church represented was St. Stephen's.

Kimberly Blaker (this reporter) also addressed the Board but was interrupted by the Supervisor three times. Blaker's comments fell under the length of time that a creche supporter was allowed to speak.

When the item came up on the agenda, Treasurer Barron read a second letter he had submitted to the Michigan Township Association and the MTA's response. He then gave his own interpretation of the letter. Barron motioned to rescind the Board's previous motion, which was approved upon further discussion. At the request of Trustee Marlene Krause, no secular items will be placed near the creche that will remain on public property.

The Treasurer said that the Recreation Committee would "entertain" requests by citizens who want to donate sym-

bols of their own religious faith. He said the donations would be subject to a policy that the Recreation Committee, which he is on, had approved earlier this year. Upon investigation, the policy doesn't exist.

The rescinded motion was opposed by Trustee Mary Lou Carey and O'Kelley.

- A request by Fire Chief Russow for fire lane designations in Swan Creek was approved. According to Police Chief Metzger Swan Creek made a complaint over a parking problem. Upon investigation, a public safety issue was discovered. Chief Metzger said that if the new parking restrictions would pose a parking shortage to the residents, he was sure they would have contacted the department.

- At the suggestion of the Township's Attorney Kevin Foley, an invoice for LDFA pavement improvements will

be turned over to the LDFA for approval. The Treasurer said that typically LDFA expenses have gone straight to the Township Board and approved with the bills. O'Kelley recommended that the LDFA begin approving all of its bills before the Township pays them. Barron agreed to changing the practice.

- Chief Metzger presented the Board with a compilation of possible items to be included in a new animal control ordinance. The Chief had received the ordinances of surrounding districts. The Board accepted the document and the ordinance will be on the next agenda for further discussion and possible approval. Some items that may be included would be cat licensing, licensing of kennels, pet shops, and horse stables.

- A weapons purchase request by the Police Chief was approved.

Sports Corner

Huron lost the Homecoming game against Grosse

Ile.

Huron started the game with a series of run plays that got the team downfield. But, after a fumble recovery turned into a touchdown for Grosse Ile, Huron began a downward spiral. Quarterback Don Fecay made good use of fellow Chiefs Darryl Walton and Chris Koch, and finally got past the 50 yard line late in the fourth quarter. But, it was too little, too late for our Huron Chiefs. The scoreboard did not

work, but that was probably for the best as Huron lost 35-0.

— Richard M. Soranno

Editor's Note: The Huron River Weekly would like to introduce our newest staff member.

Richard M. Soranno. He will be reporting on Huron Varsity sporting events and also contributing feature articles. We hope you will find his articles both informative and entertaining.

HURON ATHLETICS TO GIVE PROCEEDS TO RELIEF EFFORT

Huron High School Athletic Department would like to

announce that on September 25, 2001 we will be hosting a girl's basketball game vs. Grosse Ile and a girls swim meet vs. Riverview. All proceeds for those two events will go to support the relief fund for the families that have been effected by the recent terrorist attacks. This is a time when our community needs to rally around those who had had to go through tremendous pain and suffering. I hope that everyone who can will come out and support our efforts to do our part."

CAREER DAY

Student Hits Recording Studio

On Career Day I went to Embroidery Design and the recording studio. In the studio, you practiced in one of the practice rooms, and Mr. Sheenberger will be ready. He puts the microphone up to you and he turns on the song and you start singing. It's even more fun when you have the Karaoke version. Next I went to Embroidery Design. We painted shelves, bird houses, and made bandanas out of the cloth Mrs. Kidd had. We got to keep most of the stuff since we were the p.m. group and we didn't have to save anything for anyone. It was a blast.

Maggie's Musings

Should we or should we not be amused?

Criteria for narcissistic personality disorder:

A pervasive pattern of grandiosity (in fantasy or behavior), need for admiration, and lack of empathy, beginning by early adulthood, and present in a variety of contexts, as indicated by five (or more) of the following:

- A grandiose sense of self-importance — exaggerates achievements and talents, expects to be recognized as superior without commensurate achievements.

- Preoccupied with fantasies of unlimited success, power, brilliance, beauty or ideal love.

- Believes that he or she is "special" and unique and can only be understood by, or should associate with, other special or high-status people or institutions.

- Requires excessive admiration.

- A sense of entitlement — unreasonable expectations of especially favorable treatment or automatic compliance with his or her expectations.

- Interpersonally exploitative — takes advantage of others to achieve his or her own ends.

- Lacks empathy — is unwilling to recognize or identify with the feelings and needs of others.

- Often envious of others or believes that others are envious of him or her.

- Shows arrogant, haughty behavior or attitudes.

BOYS 14 AND UNDER ADDED TO LIST OF CHAMPIONS FOR H.A.A.

The 14 and under boys from Huron Downriver Baseball Association finished first in the league and then beat Trenton for the championship at River Rouge. Huron received a bye in the first round of the playoffs, and was hoping to face River Rouge in the second round. River Rouge was the only team to beat Huron in the regular season; River Rouge won their first game to set the stage for the rematch.

Huron scored early, off a pretty good pitcher, and came up with the big plays on defense. One of these plays was a relay play that started with centerfielder, John Partridge after he played the ball off the wall cleanly, and fired it to the pitcher, Adam Guetschoff. Adam threw a strike to catcher Nick Camilleri, who put the tag down to nail the runner who was going for an inside-the-park home run; taking the momentum away from River Rouge. Coach Don Slater of Huron said this was key because the score would of been 10-7 with no outs in the bottom of the sixth inning and the top of the Rouge's lineup coming to the plate.

After this great display of fielding, Adam Guetschoff dug deep and struck out five of his last seven batters, to preserve a sweet victory. Coach Slater said that this victory over River Rouge was greater for him then the championship because earlier in the season Rouge had mercied them, and took away their perfect season.

Caleb Lambert went three for four with two runs batted in, Adam Guetschoff drove in three

runs, and had one hit, and Justin Riley went 2-4 with three runs batted in, to lead Huron on the offensive side. The pitchers were Nick Camilleri and Adam

Guetschoff; combined they let in seven runs, gave up seven hits, and had an astounding 15 K's to get the win for Huron.

By avenging their loss to

Rouge, Huron not only experienced sweet revenge, but also earned themselves a trip to the championship game against Trenton, who had previously beaten Allen Park to earn their shot at the trophy.

Once again, Huron scored early, and ended up with 10 runs after two innings of play. Trenton wittled down the Huron lead to two runs, and so Huron heated up the bats, and drove in four more much-needed runs in the sixth inning.

Though the boys from Huron played sloppy defense in the early innings, Justin Riley and Caleb Lambert made some big plays in the late innings to keep Trenton batters off the bases. Offensively for Huron, Brandon Eastridge led the hitting attack with an inside-the-park home run. Nick Camilleri and Adam Guetschoff once again teamed up on the mound to pitch Huron boys to another victory, and everyone on the team contributed to secure a championship trophy.
